To Whom It May Concern:

Evan Matoske worked as the Tri-State Section PGA Intern the Summer of 2010. He ran all of the Tri-State Section PGA Junior events the months of June, July and August. His responsibilities included Tournament Score sheets, Registration, Tournament Rules Official, Scoreboard, and Points.

He was highly respected by his co-workers, the juniors and their parents. He is very organized and diligent in every job he was asked to do during his time with the section.

Evan did an excellent job and I would recommend him for any position in your organization.

Sincerely,

Dennis J. Darak, Sr.
